

****Aaron Sam A.S****

22/E Dr. Ambedkar Nagar, S.S Colony, Madurai-16

8807402200 | aaronvsam289@gmail.com

****Summary****

Highly motivated and recent graduate with a Bachelor of Technology in Artificial Intelligence and Data Science from Sethu Institute of Technology. Eager to leverage strong foundational skills in Python, Java, and GENI (assuming this refers to a specific technology or framework – please clarify if needed for a stronger summary) to contribute to a challenging and rewarding role in the technology industry. Seeking an entry-level position where I can apply my academic knowledge and continuously develop my professional expertise.

****Skills****

* ****Programming Languages:**** Python, Java

* ****Technologies/Frameworks:**** GENI (Please specify the full name if possible)

* ****Data Science Fundamentals:**** (Add specific skills here, e.g., data analysis, machine learning, statistical modeling, data visualization, etc., based on your coursework.)

****Experience****

Fresher

****Education****

- * **Sethu Institute of Technology, Madurai** – Bachelor of Technology (B.Tech), Artificial Intelligence and Data Science
- * **Seventh Day Adventist Higher Secondary School, Madurai** – Higher Secondary Education

****Note:**** To significantly strengthen this resume, please provide more details about your projects, coursework, relevant skills (particularly within data science), and any volunteer or extracurricular activities. The "GENI" skill should be clarified. Adding quantifiable achievements (e.g., "Developed a machine learning model that improved accuracy by 15%") will greatly enhance the impact of your resume. Consider adding a portfolio link if you have one showcasing your projects.
